

**International Federation of Nonlinear Analysts
World Congress 2012
June 25—July 1**

**Through The Art Of Mathematical Sciences We
Can Address Global Issues In Order To Create A
More Peaceful And Understanding World.**

**Mathematics
Engineering
Health**

**Statistics
Business
Energy**

and More

Round Table Discussions:

**Global Economy
Global Health
Global Energy
Global Environment**

**Proceedings will be
published in
Global Journal of Mathematical Sciences**

**Venue: The University of Athens
Biomedical Research Foundation-
Academy of Athens
Dates: June 25—July 1, 2012
Register at: www.ifna2012.com**

**Deadline for abstract submission:
February 29, 2012**
