

# The Bioinformatics Roadshow

hands-on training in bioinformatics for researchers

The EMBL-European Bioinformatics Institute  
and

The School of Biology, Aristotle University of Thessaloniki  
present:

## The Bioinformatics Roadshow - Thessaloniki, Greece

7 – 9 February 2012

Science Center and Technology Museum "NOESIS", Thessaloniki

Day 1: *Ensembl Genomes, Transcriptomics, Gene Expression*

Day 2: *Protein Sequence Databases, Interactions & Pathways*

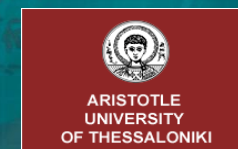

Day 3: *Protein Function and Classification, Nucleotide Sequence Databases*

Register at  
[www.ebi.ac.uk/training/roadshow/120207\\_thessaloniki.html](http://www.ebi.ac.uk/training/roadshow/120207_thessaloniki.html)

Deadline: **9 December 2011**

**Registration fee: 90 €**

Contact: Ilias Kappas ([ikappas@bio.auth.gr](mailto:ikappas@bio.auth.gr)), School of Biology, AUTH

endorsed by the HSCBB (Hellenic Society for Computational Biology and Bioinformatics)

The Bioinformatics Roadshow is supported by funds awarded by the European Commission under FELICS, contract number 021902 (RII3) within the Research Infrastructure Action of the FP6 'Structuring the European Research Area' Programme.
