Call for Applications

ACADEMIC YEAR 2023-2024

The School of Medicine - University of Crete, announce that applications for the academic year 2023-2024 for the Postgraduate Programme in "**Forensic Medicine, Anthropology and Imaging**" are now open.

The Programme focuses on Forensic Medicine and more specifically on two of the most popular subspecialties, namely Forensic Anthropology and Forensic Imaging. More specifically, students will be offered basic knowledge in musculoskeletal and cross-sectional CT anatomy, will be introduced to the discipline of Forensic Medicine in terms of scope, methodology and legal framework and will be given specialized multidisciplinary training in the areas of Forensic Anthropology and Forensic Imaging.

The Programme leads to a Master's Degree (MSc) in "**Forensic Medicine, Anthropology and Imaging**" after two semesters of courses and the completion of an MSc dissertation in the third semester of studies.

The Programme also offers the opportunity of exiting with a specialisation in **Forensic Anthropology or Forensic Imaging**.

The Programme is addressed to graduates with officially recognized undergraduate degrees in areas such as Medicine, Biology, Anatomy, Anthropology, Archaeology, Dentistry, Police Academy, Law and relevant subjects. Previous knowledge of anatomy although is welcomed it is not a prerequisite for entering the Programme.

Initiation and Duration of the Studies

In the first two semesters, students take in total 4 mandatory and elective courses summing over 30 ECTS.

In the third semester the students are engaged in research and the completion of the MSc dissertation.

The Programme is full-time and the attendance is mandatory. The language of the courses and the language of the MSc Dissertation is English.

**Operational Programme
Human Resources Development,
Education and Lifelong Learning**

Co-financed by Greece and the European Union

Up to thirty (30) graduate students will be selected every year.

In addition to the maximum number of admissions, up to two (2) candidates who have been awarded postgraduate scholarships by States, State Scholarship Foundations, International Organizations, International Programs, etc., may be admitted, as long as the admission criteria are met.

Submission of Documents

Applicants are invited to first create a user account at: <https://postgrad.cict.uoc.gr> and then to upload the following certificates or files:

1. Certified copy of the BSc or MD degree
Recognition by the Hellenic National Academic Recognition Information Centre (DOATAP) is required for degrees that are awarded by foreign Higher Education Institutions. According to Law 4957/2022, the initial contact with DOATAP after a candidate applies for postgraduate studies is made by the Program's Secretariat.
2. Transcript of Grades
The university degrees and the respective transcripts shall be written either in Greek (provided that they are issued by a Greek authority) or officially translated in English and certified by a competent authority.
3. Proof of competence and fluency in the English language or alternatively a degree from a Higher Education Institution taught in English.
4. A CV of the candidate, written in English, with information about his/her studies, the academic/professional experience, the scientific/social activities, as well as a list of publications and scientific work (if available)
