

## ***Programme***

### **THURSDAY, November 16, 2023**

Location:

Crowne Plaza Athens City Centre  
50, Michalakopoulou Ave  
11528 Athens, Greece

8.15-8.20 - Course Welcome

*Antoine Feydy (IT) and Tarek Yousry (TBC) (UK)*

8.20-8.30 - Introduction to the topics of the day

*Filip Vanhoenacker (BE) and Luigi Manfr  (IT)*

#### **SESSION INFLAMMATION**

8.30-8.50 - Axial SpA SIJ and Spine including mimickers

*Apostolos Karantanas (GR)*

8.50-9.10 - DD with inflammatory changes: Modic type 1 Facet joint edema, etc.

*Filip Vanhoenacker (BE)*

9.10-9.30 - SAPHO, CRMO

*Apostolos Karantanas (GR)*

9.30-9.50 - Complications of rigid spine

*Filip Vanhoenacker (BE)*

9.50-10.10 - Multiple Sclerosis

*Majda Thurnher (AT)*

10.10-10.30 - Other demyelinating diseases and DD

*Majda Thurnher (AT)*

 30 mins coffee break

#### **SESSION INFECTION AND METABOLIC DISEASES**

11.00-11.30 - Spinal infections and Mimickers

*Antoine Feydy (FR)*

11.30-11.50 - Role of imaging in Spondylodiscitis follow-up

*Cem Calli (TR)*

11.50-12.10 - Osteoporosis and other metabolic diseases

*Alexia Balanika (GR)*

12.10-12.30 - Paget's disease

*Radhesh Lalam (UK)*

12.30-12.50 - Sarcopenia and low back pain

*Violeta Vasilevska-Nikodinovska (NM)*

60 mins lunch break

### SESSION BIOPSY, POSTOP IMAGING & BEYOND THE SPINE

14.00-14.20 - Disco-vertebral image guided biopsy

*Violeta Vasilevska-Nikodinovska (NM)*

14.20-14.40 - Postoperative imaging

*Turgut Tali (TR)*

14.40-15.00 - SIJ disease: Treatment

*Luigi Manfré (IT)*

15.00-15.20 - Vertebroplasty and alternatives

*Antoine Feydy (FR)*

15.20-15.40 - Beyond conventional augmentation

*Luigi Manfré (IT)*

30 mins coffee break

### INTERACTIVE SESSIONS

16.10–18.10 Inflammation/Infection (Groin/Pelvic & Sacral Instability)

>> interactive case presentations and demonstration of final details of the topics of the day

*Apostolos Karantanas (GR), Violeta Vasilevska (NM), Filip Vanhoenacker (BE), Turgut Tali (TR), Luigi Manfré (IT)*

## FRIDAY, November 17, 2023

### Location:

Crowne Plaza Athens City Centre

50, Michalakopoulou Ave

11528 Athens, Greece

8.30-8.40 - Introduction to the topics of the day

*Radhesh Lalam (UK) and Naci Kocer (TR)*

### SESSION METABOLIC DISEASES & VASCULAR DISEASES

8.30-8.50 - Vascular anatomy of the spine and spinal cord

*Naci Kocer (TR)*

8.50-9.10 - Vascular imaging of the spine and spinal cord - CTA, MRS, DSA and more

*Pedro Vilela (PT)*

9.10-9.30 - Spinal cord ischemia

*Pedro Vilela (PT)*

9.30-10.00 - Spinal vascular malformations: How to image and how to treat

*Naci Kocer (TR)*

20 mins coffee break

## SESSION SPINAL TRAUMA

10.20-10.50 - Trauma of the craniocervical junction and C-spine

*Frank Smithuis (NL)*

10.50-11.10 - Whiplash injuries

*Johan Van Goethem (BE)*

11.10-11.30 - Trauma of the thoracolumbar spine

*Chiara Zini (IT)*

11.30-11.50 - Spinal Cord trauma

*speaker to be announced*

11.50-12.10 - Treatment of the traumatic fractures: when interventional

*Chiara Zini (IT)*

12.10-12.30 - Treatment of the traumatic fractures: when surgical

*Spyros Pneumatikos (GR - Orthopaedic Surgeon)*

 60 mins lunch break

## SESSION PEDIATRIC AND ADOLESCENT SPINE

13.30-13.50 - Embryology of the spine, spinal cord

*Andrea Rossi (IT)*

13.50-14.10 - Spinal dysraphism

*Andrea Rossi (IT)*

14.10-14.30 - Low back pain and low neck pain in children

*Paolo Simoni (BE)*

14.30-14.50 - Scoliosis

*Antoine Feydy (FR)*

14.50-15.10 - Spondylolysis/spondylolisthesis and differential diagnosis

*Radhesh Lalam (UK)*

15.10-15.30 - Pediatric spinal cord trauma

*speaker to be announced*

 15 mins coffee break

## INTERACTIVE SESSIONS

15:45–17:45 Trauma/Pediatric

>> interactive case presentations and demonstration of final details of the topics of the day

*Alexia Balanika (GR), Frank Smithuis (NL), Paolo Simoni (BE), Majda Thurnher (AT), tba, Naci Kocer (TR), Johan Van Goethem (BE)*

# SATURDAY, November 18, 2023

## Location:

Attikon University Hospital  
2nd Radiology Dpt.  
Rimini 1 Haidari  
12462 Athens, Greece

## LECTURE SESSION

8.30-8.45 - Technical approaches for spinal lesions

*Ramy Mansour (UK)*

8.45-9.00 - Indications for augmentation (with and without implants)

*Adrian Kastler (FR)*

9.00-9.15 - Spacers

*Stefano Marcia (IT)*

9.15-9.30 - Facet including Ablation

*Nicolas Theumann (CH)*

9.30-9.45 - Percutaneous Discectomy

*Nicolas Amoretti (FR)*

9.45-10.00 - Image-guided spine navigation

*Dimitrios Filippiadis (GR)*

10.00-10.15 - Microfixation

*Luigi Manfre (IT)*

10.15-10.30 - US-guided spine infiltrations

*Chiara Zini (IT)*

15 mins coffee break

## WORKSHOPS

Delegates will be divided into 6 groups and attend each workshop for one hour

**11.00-14.00**  60 mins lunch break **15.00-18.00**

Room ANGIO 1; Treatment Type: Augmentation

*Adrian Kastler (FR) and Ramy Mansour (UK)*

Room ANGIO 2; Treatment Type: Disc-facet including ablation

*Stefano Marcia (IT) and Nicolas Theumann (CH)*

Room CT 1; Treatment Type: Fixation and Spacers

*Luigi Manfre (IT)*

Room CT 2; Treatment Type: Navigation and Robotics

*Alexis Kelekis (GR) and Dimitrios Filippiadis (GR)*

Room US 1; Treatment Type: Infiltration

*Chiara Zini (IT) and Federico Zaottini (IT)*

Room VIDEO; Treatment Type: Cases

*Nicolas Amoretti (FR)*
