Research Fellow

HYPERTENSION

Konstantinos Dimitrakopoulos
Consultant

CLINICAL IMMUNOLOGY

Erasmus students who wish to attend the elective course on Geriatrics during the winter semester of 2017-2018 are kindly requested to enroll on the [Geriatrics course](#) available on Aristotle University e-learning website, available at <http://elearning.auth.gr/>. To enrol, students must have an institutional account (in the form of xyz@auth.gr), and use the self-enrollment key, which is “geriatrics2017”.

The course lasts 12 weeks and is offered in online form only. Students will log on the elearning website to study literature and references provided, and to interact with their fellow students. Assessment is based on their score in weekly online quizzes, and a short essay submitted at the end of the module. Lessons start on October 11th. The course is offered only to 50 students, who will be accepted on a first come – first served basis.

Apostolos Tsapas, MD PhD MSc(Oxon)
Associate Professor of Medicine & Diabetes
Head, Second Medical Department
