

A G R E E M E N T
concerning Scientific Cooperation between
Joint Institute for Nuclear Research, Dubna, Russia
and
Aristotle University of Thessaloniki, Greece

Article 1

With the object of promoting cooperation in scientific research, education, and development work between JINR, Dubna and Aristotle University, the following agreement is established.

Article 2

The cooperation may concern any subject, upon which the two parties agree. It will promote and encourage the exchange of students, scientific and technical personnel with the purpose of pursuing research in fields of computational mathematics, mathematical modeling, statistical mechanics and mathematical physics, bioinformatics and biomedical technology, information, communication, knowledge technologies and Web Science in scientific programs of mutual interest, taking the necessary measures to allow the researchers the use of laboratories, equipment and related facilities needed for completion of the research programs.

Article 3

The cooperation will encourage the exchange of students for participation in selected topical courses organized by the JINR University Centre and Aristotle University.

Article 4

Implementation of exchange or other kinds of cooperation based on this agreement shall be dealt with between the departments concerned on a case-by-case basis. A specific plan shall be worked out for each joint activity. The plan shall ensure that appropriate arrangements for working, living and maintenance expenses, as well as overhead costs are made before the arrival of staff member or a student to the host.

Article 5

This Agreement does not involve any financial commitment for the collaborating institutions. Both parties shall seek financing of joint activities from sources available to them.

Article 6

The Coordinators of this agreement will be Prof. Victor Ivanov for JINR and Prof. Ioannis Antoniou for Aristotle University. Any questions arising from the operation and interpretation of this agreement will be submitted to the judgment of the coordinators.

Article 7

The agreement is effective for a five year period, from the date of signatures.

Article 8

This agreement is subject to revisions, renewal or cancellation by mutual written consent.

Article 9

This agreement becomes effective upon the date of the signatures.
