Greetings!

This is to remind you that the deadline for application in 3rd WRICOS (the Writing Contest of SUN) has been extended until **May, 31st**. Therefore, the result announcement also will be delayed to **June, 30th**.

As you may recall, the theme of the poem of WRICOS 2019 is “Father”, and the theme of the essay is “What should be done collectively by universities or university students in order to make the silk Roads Peace Roads?” Students from members of SUN can apply. Nonmembers of universities of SUN are also eligible for application, but no additional other than certificates will be given.

The recipient of the Grand Prize will be invited to the award ceremony which will be held on September 20, 2019 during the closing ceremony of the 5th General assembly of SUN (Almaty, Kazakhstan) with full coverage of the cost for air ticket (round trip), and accommodations (hotel and meals) at Almaty, Kazakhstan. You could refer to the website (www.sun-silkroadia.org) for further information regarding this event.

It is a wonderful opportunity for your students to take part in an amazing event! Please kindly use the WRICOS poster to encourage them to participate in the event. It would be great if you also translate the WRICOS poster into your students’ mother tongue (use the translated version of the poster), since we have noticed that many students simply ignore the English poster of WRICOS as they feel uncomfortable with writing in English and think they are supposed to do so.

Thank you in advance for your cooperation.

Respectfully,

Marzieh Maddahi,

President

United Student of the Silk-Road Universities Network (USSUN)
