

ARISTOTLE
UNIVERSITY OF
THESSALONIKI

AGREEMENT for SCIENTIFIC COOPERATION
between
ARISTOTLE UNIVERSITY OF THESSALONIKI, GREECE
FACULTY OF HEALTH SCIENCES
and

I. HORBACHEVSKY TERNOPIL NATIONAL MEDICAL UNIVERSITY, UKRAINE

In the recognition of the proven value, both personal and educational, of the exchange experience staff and faculty, it is our intention to establish, at the institutional level, the principles, policy, guidelines and procedures required to facilitate such exchanges between our institutions.

OBJECTIVE

The objective of this Agreement is to encourage scientific and educational cooperation and exchange between the two institutions in the following areas:

- Joint research projects
- Exchange of information and academic publications with the participation of academic staff from both institutions
- Joint presentations in international congresses
- Promotion of lectures, research workshops and symposia
- Supervision of postgraduate projects and Thesis of candidates from both institutions
- Exchange of faculty members and research staff

The agreement between Aristotle University of Thessaloniki, Greece, Faculty of Health Sciences and I. Horbachevsky Ternopil National Medical University, Ukraine, may be in

any appropriate field available at either institution, subject to the prior approval of the partners.

EXCHANGE OF PROFESSORS

A. Teaching Exchange

- Each institution may nominate one of its professors to participate in an exchange for the purpose of teaching and research in the other institution.
- The period of exchange will be agreed in writing by both parties.
- Travel and living expenses for professors on teaching exchanges are not compensated by the host institution, unless specific arrangements are made and agreed to in advance.
- In general, professors on teaching exchanges will remain on full salary benefits with their respective institutions.
- Teaching course loads, working hours and conditions will normally be in accordance with established rules and practices of the host institution, subject to prior negotiation and agreement.
- Remuneration for special projects is subject to special negotiation.
- The host institution will give access to libraries and other needed facilities for professors on teaching exchanges.
- Professors on teaching exchanges must carry health insurance that meets the requirements of the host institution.

B. Visiting Scholars

- Visiting scholars may have the approval of the host institution to visit it during a short period for the purpose of research, consulting and short-term teaching, subject to prior negotiation.
- Travel and living expenses for visiting scholars are not normally paid by the host institution, unless specific arrangements are made and agreed to in advance.
- The host institution will provide an institutional appointment and library access.
- Visiting scholars must carry medical health insurance that meets the requirements of the host institution.

CONDITIONS OF THE AGREEMENT

The Agreement shall become effective upon the signature of the designated officials of both institutions, and its actual implementation will begin as soon as both institutions have identified qualified individuals ready to participate in the exchange.

This Agreement will be valid for indefinitely from the date of the signature.

The absence of exchanges during any one academic year is possible and does not nullify this Agreement.

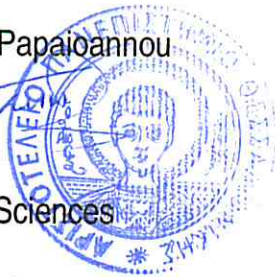

Either institution may terminate this Agreement with a written notice of six months. This period is necessary to ensure that exchanges planned or in progress are completed satisfactorily.

Modifications may be proposed at any time, and they will be effective from the date of written notification signed by both institutions.
